Honorable John A. McCone
Director
Central Intelligence Agency
Washington 25, D. C.

Dear Mr. McCone:

The House Committee on Government Operations is again charged with the responsibility of compiling a Federal Property Inventory Report covering real and personal assets of the United States Government, as of June 30, 1963, which are located on a world-wide basis. The Report will be published in December of this year.

You and your associates have been of great assistance to the Committee during the past few years in compiling data concerning assets under the jurisdiction of the Central Intelligence Agency. I am especially pleased that assets of your agency have been reported previously in a manner, mutually agreed upon, which represented acquisition cost value without positive identification in each instance.

I shall greatly appreciate your furnishing the Committee again, in a manner similar to the one employed last year, figures covering your real and personal property assets as of June 30, 1963. These data are requested no later than November 1, 1963, and they will be reflected in our next Report.

Please be assured of my sincere appreciation of the assistance rendered by your Agency in the past, and I look forward to your continued interest and cooperation in our undertaking.

Sincerely yours,

William L. Dawson

WILLIAM L. DAWSON,
Chairman.
